However, the way developers of software such as Sonic the Hedgehog, Donkey Kong Country or Mario Party 3 worked is quite different than that of the "best selling" titles of the past.

For example: Sonic the Hedgehog 2 – The Hedgehog from the 80's could only be regarded as the best Sonic game ever released, due to its "perfect" physics and ability to get across obstacles, even if you were moving fast and/or hitting things behind you. A much different approach to creating a good game could easily be taken by developers of Mario Party 3 and Donkey Kong Country, both,892.. 'Toonami''s second season will premiere on April 29.
